Evening Service..... 6:00 pm

In our Dust to Dominion series, we have observed the lives of Adam, Noah and Abraham. Tonight will mark the half-way point of our series as we look at the forth character. We will examine the mighty works God did on his behalf and glean from the relevant and universal truths of his life and apply them to our lives. We will stand, once again, in awe of how God used this ordinary man to do extraordinary things.

Quotable: Spend plenty of time with God; let other things go, but don't neglect Him.

Thoughts About Government -

Thomas Jefferson - "I, however, place economy among the first and most important republican virtues, and public debt as the greatest of dangers to be feared. To preserve our independence, we must not let our rulers load us with perpetual debt...I am for a government rigorously frugal and simple."

Cards to Sign -

There are new cards to sign for our missionaries; they really enjoy receiving birthday and anniversary greetings from Bethel.

But we have neither precept nor promise respecting the use of lots. To have recourse to them without His appointment seems to be tempting Him rather than honoring Him, and it savours more of presumption than dependence. Effects of this expedient have often been unhappy and hurtful, a sufficient proof of how little it is to be trusted as a guide of our conduct.
