*God's Word is unique in many ways. One way is in its scope. I don't just mean the historical and prophetic content, but with what is included. God's Word records the glorious, the defective, and the hideous. As we continue our Dust to Dominion series, we are studying the life of a man who was once one of the great life-types of Christ in the Old Testament but became a tragic type of a carnal, worldly Christian. These things have been given for our instruction and warning.*

**Quotable:** *Character is like the foundation to a house...it is below the surface.*

**Community Service -**

The American Cancer Society needs volunteers to drive cancer patients to and from their treatment appointments. If you are interested in helping, please call the American Cancer Society at 1-800-227-2345 or visit cancer.org.

**Clean Team -**

Our Fellowship Hall is being used this Friday from 9:30-noon.

**Thoughts About Government -**

John Adams, June 21, 1776 - "Statesmen, my dear Sir, may plan and speculate for liberty, but it is Religion and Morality alone, which can establish the Principles upon which Freedom can securely stand. The only foundation of a free Constitution is pure Virtue, and if this cannot be inspired into our People in a greater Measure, than they have it now, they may change their Rulers and the forms of Government, but they will not obtain a lasting liberty."

**Cards to Sign -**

There are new cards to sign for our missionaries; they really enjoy receiving birthday and anniversary greetings from Bethel.

*Too often we first determine secretly for ourselves, and then ask counsel of God. In such a disposition we are ready to grasp at everything that may seem to favor our darling scheme.*
