Thank You Notes -

Bunyan's are so thankful for the many items we gave them for their AWANA store. We are the only church that helps them and they are so grateful! Thank you for helping with this project! Aaron & Jenny Peterson thank us for taking them on for support!

...a remarkable dream has often been thought as decisive as any of these methods of knowing the will of God. True, many wholesome and seasonable admonitions have been received in dreams. But to pay great attention to dreams, or especially to be guided by them, to form our sentiments, conduct our expectations upon them, is superstitious and dangerous.
