**Evening Service..... 6:00 pm**

We are approaching the end of our Dust to Dominion series as we pick up the life of Joshua. Tonight we will look at the subject of the continuity of God's work.

Sometimes we may wonder if God has gone out of business or if He is no longer going to be faithful to the promises He has made when we don't see the results we expect right away. Joshua's life will teach us many things; among them we will learn that God is always faithful and His plans are not dependent on man.

**Faith Promise Offering -**

The Faith Promise Offering is based upon faith, exalts the Lord, provides a family opportunity, produces more funds for evangelism, and brings blessings to the giver.

**Thank You -**

Thank you, Bethel friends, for your kind expressions of concern about my recent surgery; the flowers, encouraging cards, good food, calls and most importantly, prayers, as we are united in Christ.

*By nature each of us wants his own way, and chafes against every curb placed upon us. Just as a photographic plate must be blank if it is to receive a picture upon it, so our hearts must be free from personal bias if God is to work in us "both to will and to do of his good pleasure: (Phil 2:13)*
