**Evening Service..... 6:00 pm**

Tonight we will look at the Two Sides of the Same Coin of Christian living. Peter tells us that, on the one side, we are 'partakers of the divine nature' of God. On the other side, we have "escaped the corruption that is in the world through lust." Christian living is an extraordinary way to live, made possible by the "exceeding great and precious promises" of God. Do you know what these promises are?

**Quotable:** Life's moments are so precious, God gives them only one at a time.
