Evening Service.....6:00 pm

Join us this evening as we look into the historical context of Secularism as we attempt to Understand the Times in Light of Scripture. Secularism is an atheistic and materialistic worldview that advocates a public society free from the influences of religion. The world sees this as sophisticated. God calls it foolish.

Quotable: *An upright man can never be a downright failure.*

Bible Memory -

This week's passage is: Psalm 119:133 - Order my steps in thy word: and let not any iniquity have dominion over me.

I Scream Social -

I Scream Social, 2-4 next Sunday afternoon at the mission house. This is Brammers' last Sunday in Montana so stop in and say "hi" if you have time. If you ordered any books from her, this is the time to get them as well. (If the books don't come, you can say "Due to unexpected delays the books have not arrived, but you'll get instructions about your order at this time.").

*"It is obvious that a Law which already condemns cannot justify, that any who hope to merit God's favor by their faulty attempts to obey it are badly deceived. "To expect to be warmed by the keen northern blast, or to have our thirst quenched by a draught of liquid fire, were not more, were not so, incongruous" (J. Brown) Gal. 3:10 shows that every man is under divine condemnation until he flees to Christ for refuge.
