We live in a world that seems fascinated with the bizarre idea of zombies. I don't believe in "people" zombies, but I believe the case can be made for "idea" zombies. Marxism once appeared dead but has been revived, now more dangerous than before. Tonight we begin looking at Marxism and its political offshoot, communism, as we attempt to Understand the Times in Light of Scripture.

**Quotable:** *A heartfelt apology can't change the past, but it can brighten the future.*

**Dear Bethel Family -**

We wish you a happy new year and want to thank you for the love gift we were given. We are thankful for your love, prayers and support, and the many thoughtful cards and gifts we received during this Christmas season illustrated that to us.

Thank you,  
Pastor John, Hope and Family

**Faith Promise -**

The Faith Promise offering amount received, along with the amount in the church missions budget helps with determining our missions budget for the year. Prayerfully consider your part. Please turn in the tear-off portion of the insert by Sunday, January 21. Thank you.

**Birthday and Anniversary Cards -**

There are birthday and anniversary cards to sign for our missionary staff on the small table in back of the auditorium. Please take a moment to add your greeting; they enjoy getting this special greeting from us.

*...the attributes of His love are identical with Himself.  
Necessarily so, for "God is love." In making that postulate  
it is but another way to say God's love is like Himself,  
from everlasting to everlasting, immutable.
