Have you heard something like "reality is socially constructed, our behavior has hidden social causes, and much of social life is profoundly ironic?" Many in our world today believe something like that. These are code words that try to do away with God and His institutions, personal responsibility, and purposeful living. If we are to love God with all of our minds, we must gain a clear-eyed Understanding of the Times in Light of Scripture.

**Quotable:** *There is no tranquilizer in the world more effective than a few kind words.*

**Camp Special Offering Day -**  
We will be taking a special offering for camp on Sunday, April 29. Gifts will be put toward these projects: moving the main entrance in order to redirect traffic from the center court area, building bunks and securing mattresses for the boy's dorm, and insulating the dorms. Please mark your gift "Camp Special Offering". Thank you!

**Greeters -**  
If you would like to help by serving as a greeter for our Sunday morning services, please see Janis for details. It could be a couple (man and wife) or two single ladies or men. Thank you!

*There is a continual need to return to the great fundamental of the faith. As long as the age lasts the Gospel of God's grace must be preached. The need arises out of the natural state of the human heart, which is legalistic. ... The great antagonist to the truth is the pride of man, which causes him to imagine that he can be, in part at least, his own savior. From "Gleanings in the Godhead", by A.W. Pink*
