Last week we studied the foundational institutions of society. More importantly, we recognized the One who created these institutions and how He has ordained them to function. Tonight we will look at what the Christian should do when the society they live in largely abandons these institutions and their Creator as we Understand the Times in Light of Scripture.

Quotable: *Life is like a mirror, we get the best results when you smile at it.*

*Grace is a truth peculiar to divine revelation.
It is a concept to which the unaided powers of man's mind never rises.
Proof of this is in the fact that where the Bible has not gone
"grace" is unknown. Very often missionaries have found,
when translating the Scriptures...they were unable to discover a word
which...corresponds to the Bible word "grace".
