Evening Service ..... 6:00 pm  
Do you know who said the following?  
"God who gave us life gave us liberty. And can the liberties of a nation be thought secure when we have removed their only firm basis, a conviction in the minds of the people that these liberties are the gift of God? That they are not to be violated but with His wrath? Indeed, I tremble for my country when I reflect that God is just; that His justice cannot sleep forever."  
This evening as we return to the subject of law, we will recognize that the goal of Christian law is not to force people to convert to Christianity but to stabilize society by ensuring that the innocent are protected and the guilty are punished. What important truths to be reminded of as we Understand the Times in Light of Scripture.

Quotable: “Put the very best construction on the actions of others.”
