What crosses your mind when you hear someone say, "let's talk politics?" Politics seeks to answer the question, "What is the best way to use power in order to organize community." So many of God's people think Democrat and Republican when it comes to politics. We should be able to say with a clear conscience that politics will be better when people always bring rightness to government rather than assume the government is always right. Rightness isn't determined by a political party. Rightness has been declared by God, and we need to know how to apply it as we Understand the Times in Light of Scripture.

Bible Memory -

This week's passage: Ephesians 5:17-19 - Wherefore be ye not unwise, but understanding what the will of the Lord is. And be not drunk with wine, wherein is excess; but be filled with the Spirit; Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord;

Can You Help?

Bethel is hosting the MRBF Annual Conference this year. There will be a hospitality meeting for those willing to help plan for this conference. We will meet in the Blue Room this Wednesday, Aug. 29, immediately following the evening service. For questions, contact Hope, 249-3475.

The Gospel is not good advice, but Good News.

It does not speak of what man is to do, but tells what Christ has done.

It is not sent to good men, but to bad. Grace, then
is something that is worthy of God.
