**Evening Service** ..... **6:00 pm**

Today, history is being highjacked for the purposes of anti-Christian worldviews. Christians should be concerned about the study of history (not as an end to itself) so that we are able to communicate clearly what God has done and is doing through fallen man to accomplish His purposes. It is part of heeding the call to "fight the good fight of faith" as we Understand the Times in Light of Scripture..

**Quotable:** Your attitude is more important than your aptitude.

but also from the curse of the fall, from the captivity of Satan,
