Evening Service **6:00 pm**

This evening we will wrap up stewarding time, and if time allows, we will begin exploring stewarding our health. Our health is foundational to our ability to steward every other part of our life. Our physical and emotional strength are vehicles through which we can minister to others for the Lord. God has given us many practical helps for stewarding our health as we live Lean and Mean in 2019.

*It is beholding by faith things which "are not seen" by the eye
(which the spiritually poverty-stricken occupants of palaces
and millionaire mansions know nothing of), the things that
are spiritual and eternal, which alleviates the Christian's afflictions.
