Most young people are so excited when they finally sit behind the wheel of their own car. They can't wait to show it off and enjoy the freedom it represents. Then they learn about upkeep and the cost of gasoline and insurance. They soon realize that owning a car is a great deal more attractive than maintaining a car! Our health is something like the first vehicle. We simply can't keep running without fuel and maintenance. In the long run, it is wiser to maintain health than to regain health. Tonight we will look at stewarding energy. We will look to the life of Christ for lessons concerning living with "margin" as we strive to live Lean and Mean in 2019.

Quotable: Sin confessed to God is forgiven. When God forgives sin, guilt is removed.

Bible Memory -

This week's passage: Luke 3:16, 17 - John answered, saying unto them all, I indeed baptize you with water; but one mightier than I cometh, the latchet of whose shoes I am not worthy to unloose: he shall baptize you with the Holy Ghost and with fire: Whose fan is in his hand, and he will thoroughly purge his floor, and will gather the wheat into his garner; but the chaff he will burn with fire unquenchable.

Can you help stock the shelves with items from the dollar store or other small items or full-size candy bars that kids K through 6th grade would enjoy? There will be a grocery cart to collect these items. Thank you!

Bethel Family -

Thank you so very much. The church house was a blessing. Thank you!

Love,
The Brays

Exodus 34 supplies both a comparison and a contrast with the new dispensation of the Spirit, of grace, of life more abundant. But before that dispensation was inaugurated God saw fit for man to be tested under Law, to demonstrate what he is as a fallen and sinful creature.
