While we have many gifts from God--health, time, relationships, etc.--our finances are one of the few tangible assets we are given to steward for His glory. Through Jesus' parable of the three stewards and the talents, we will look at finances from God's perspective as we strive to live Lean and Mean in 2019.

Quotable: *The trouble with opportunity is that it always comes disguised as hard work.*

[The gospel] comes to us as to those who are already lost, to those who are "ungodly," "without strength," "enmity against God." It announces to us the amazing grace of God, the only hope for poor sinners. But grace will not be welcomed until the sinner bows to the sentence of God against him. That is why both repentance and faith are demanded from the sinner.
