**Evening Service** ..... **6:00 pm**

Do you enjoy hearing the stories behind our hymns? For me, it really helps the hymn come alive. This evening we are going to explore the story behind the hymn of Deborah and Barak. Their hymn reveals some truths about our spiritual warfare in this world and leads us to some important questions. Are you a willing soldier? Do you trust your Leader and His plan? How do you handle discouragement? How are you making a difference in this world?

**Quotable:** While we are not saved BY good works, we are saved FOR good works.

**Did Noah Fish?**

A Sunday school teacher asked, "Johnny, do you think Noah did a lot of fishing when he was on the Ark?" "No," replied David J. "How could he, with just two worms."

*The assumption of human nature was not, of itself, a part of Christ's humiliation, for He still retained it in His glorious exaltation. But for God the Son to take into union with Himself a created nature, animated dust, was an act of infinite condescension. From "Gleanings in the Godhead", by A.W. Pink*
