Evening Service **6:00 pm**

This evening we return to the story of Gideon which tells the story of God sending an oppressor upon Israel along with God's rescue of Israel by raising up an unlikely warrior who will lead Israel to another stunning victory. Throughout this first part, it is clear that it is God who sovereignly calls Gideon to lead his people, and it is God who is completely responsible for Israel's dramatic victory over their Midianite oppressors.

Quotable: Be thankful for what you have; you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough.

Lot's Wife -
The Sunday School teacher was describing how Lot's wife looked back and turned into a pillar of salt---when little Jason interrupted, "My Mummy looked back once, while she was driving," he announced triumphantly,"and she turned into a telephone pole!"

*To set before us the example of Christ in its most vivid colors, the Holy Spirit takes us back to the position which our Mediator occupied in eternity. He shows us that supreme dignity and glory was His, then reminds us of those unfathomable depths of condescension and humiliation into which He descended for our sakes. (Phil 2:1-5)
