One-Sentence Prayers That Will Consistently Change Your Day

Lord help me be a better spouse and better parent today than I was yesterday and the day before that.

Lord help me to show people your love and attention in a way that they haven't seen before.

Lord help me believe that you are with me even when I'm unsure if you are.

Lord help me turn from my sin when my sin turns toward me.

Lord help me trust that you have a plan for my life even when it may feel like it is a bad one.

"And took upon Him the form of a servant." In so doing, He did not cease to be all that He was before, but He assumed something He had not been previously. There was no change in His divine nature, but the uniting to His divine person of a human nature. "He who is God, can no more be not God, than he who is not God, can be God" (John Owen).
