Most young people are so excited when they finally sit behind the wheel of their own car. They can't wait to show it off and enjoy the freedom it represents. Then they learn about upkeep and the cost of gasoline and insurance. They soon realize that owning a car is a great deal more attractive than maintaining a car! Our health is something like the first vehicle. We simply can't keep running without fuel and maintenance. In the long run, it is wiser to maintain health than to regain health. Tonight we will look at stewarding energy. We will look to the life of Christ for lessons concerning living with "margin" as we strive to live Lean and Mean in 2019.

Quotable: "Be sure you put your feet in the right place, then stand firm."
~Abraham Lincoln

A Request from Matt Schrepfer -
Juanetta is having a special birthday March 8 and he would like a card shower! Please send your card to: Juanetta Schrepfer, 43 Ksanka View Rd, Eureka, MT 59917.

Baptist Bulletin -
Your subscription to the Baptist Bulletin is expiring. If you wish to renew your subscription or begin subscribing, please see the sign up sheet on the bulletin table; deadline is today, more details are on the sign up. A digital subscription is also available.

VBS Store Items Needed -
Those attending VBS collect points and at the week's end are permitted to shop in our VBS Store. Can you help stock the shelves with items from the dollar store or other small items or full-size candy bars that kids K through 6th grade would enjoy? There will be a grocery cart to collect these items. Thank you!

*The law had "a shadow of good things to come" (Heb 10:1).
A beautiful illustration of this is in the closing verses of Exodus 34,
where Moses descends from the mount with a radiant face.
The key to the passage is found in noting the exact position it occupies
in this book of redemption.
