**Evening Service** ..... **6:00 pm**

*We have been pursuing a 2020 Vision of God this past year in an attempt to reintroduce ourselves to the God of the Bible. As we see Him for who He is, it should bring about a change in our lives. Our changed life should affect the lives of those that God brings our way. This evening we will briefly look at several specific areas such as worship, evangelism, and service that are the natural, spiritual results of "looking unto Jesus."*

**Quotable:** Many people want to serve God, but only as advisors.

*The person of Christ is a composite one.  
Two separate natures are united in one peerless Person,  
but they are not fused into each other; instead,  
they remain distinct and different.  
The human nature is not divine, nor has it been, intrinsically,  
deified, for it possesses none of the attributes of God.  
From "Gleanings in the Godhead", by A.W. Pink*
