If you have any pictures from Bethel's activities in 2020, please get them to Charlotte, printed copies are preferred, but text is ok too! Thank you!

Update on Dan Mapes -

The Mapes are very thankful of how God led them to a surgeon who was very knowledgeable of God's Word and was able to comfort their thoughts with His Word. The pain and numbness that Dan has experienced for months was gone as he came out of surgery. The Doctor is estimating that Dan will be finished with Physical Therapy in about 12 weeks. They are thankful for your prayers.

"He is despised and rejected of men" (Is 53:3), forms part one of the Messianic predictions. God made known long beforehand the treatment His Son would receive when He became incarnate. The prophecy of Isaiah was in the hands of the Jews 700 years before Jesus was born; yet, so exactly did it describe what befell Him that it might well have been written by one of the apostles. Here is one of the incontrovertible proofs of the diving inspiration of Scriptures, for only One who knew the end from the beginning could have written this history beforehand.
