*This afternoon we will return to the subject of justice. We will examine popular counterfeit justice ideas such as Secularized Social Justice, Critical Race Theory, and Liberal-Religious Social Justice by shining the truth of God's Word on them. Most importantly we will look into how God's people should promote justice, "doing justly."*

**Quotable:** *God never alters the robe of righteousness to fit the man, but the man to fit the robe.*

**Bible Memory -**

This week's passage: 1 Corinthians 11:31-32 - For if we would judge ourselves, we should not be judged. But when we are judged, we are chastened of the Lord, that we should not be condemned with the world.

**VBS -**

We had a wonderful week studying and learning about Jonah, ministering to 14 kids with a great staff. Thank you to all who prayed. The children were able to raise enough money through their offerings to fully equip a Sunday School room in Brazil for the McLains.

*The appearing of Christ fully exposed man, and brings to light as nothing else has, the desperate wickedness of his heart.  
[We will] consider three questions: 1) Who was (and still is) "despised and rejected of men"? 2) Why is He so grievously slighted? 3) In what way is He scorned?  
1) He is despised and rejected because He required inward purity. Human religions concern themselves with external performances and divine with the source of all conduct. "Man looketh on the outward appearance, but the Lord looketh on the heart" (1 Sa 16:7)*
