The crucifixion of Christ, what I see ~ I see an unveiling of the character of man. Scarcely was He born into this world than men made a determined effort to slay Him. Though He constantly went about doing good, relieving the distressed, and ministering to the souls and bodies of the needy, He was so little appreciated that He had to say, "The foxes have holes and the birds of the air have nests, but the Son of man hath not where to lay his head" (Mt 8:20). On one occasion "they be sought him that he would depart out of their coasts" (Mt 8:34) From "Gleanings in the Godhead", by A.W. Pink
