*Rival schools, competing interpretive methods and changing political schemes are just a few of the important factors that need to be known and understood in order to explain why we, to this day, experience such division among God's people in understanding His word. This afternoon we will continue our exploration of these matters. We'll throw in an explanation of how "Palestine" came to be for free.*

John 1:1-5 - In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made. In him was life; and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not.

**HOW CAN WE PRAY?**

Prayer Request

*The Redemption of Christ ~  
In justifying His sinful people God neither disregarded  
nor dishonored His law; instead He "established" it (Ro 3:31).  
The Redeemer was "made under the law" (Gal 4:4). Its strictness  
was not relaxed nor was one iota of its requirements  
abated in connection with Him.*

Please share with the church family.
