The Reformation which the Protestant Reformers introduced was partial, at best, leaving much work undone. With that in mind we will look at the state of Reformed theology today. In essence, Reformed theology has taken the progress of the Reformers and crystallized it into creeds and confessions. Then they errantly assumed that the final statement of truth is found in these creeds and confessions. As we address this issue, we will consider the important doctrine known as progressive illumination.

Quotable: *Nothing ruins the truth like stretching it.*

Bible Memory this week -

Proverbs 29:1-2 - He, that being often reprov'd hardeneth his neck, shall suddenly be destroyed, and that without remedy. When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn.

To Note -

There will be no afternoon services April 17 (Resurrection Sunday), May 8 (Mother's Day, and June 19 (Father's Day).

The Saviourhood of Christ -

"My thoughts are not your thoughts, neither are your ways my ways, saith the LORD" (Is 55:8). Solemnly these words manifest the terrible havoc sin has wrought in fallen mankind. They are out of touch with their Maker; nay more, they are "alienated from the life of God through the ignorance that is in them, because of the blindness of their heart" (Eph 4:18).
