*We return this afternoon to our comparison of Covenant Theology and Dispensational Theology. As we approach the end of our study, we are going to look at the value of interpreting Scripture through a dispensational rubic. We'll also notice just how little support there is in Scripture for the rubic of Covenantal Theology.*

**Quotable:** *Compassion is difficult to give away because it keeps coming back.*

Prayer Request

Please share with the church family.

*The Saviourhood of Christ -  
Instead of subordinating the concerns of this life to the interests of the life to come, man devoted himself principally to the present and gives little or no thought to the eternal. Instead of putting the good of his soul ahead of the needs of the body, man is occupied chiefly about food and raiment. Instead of man's great aim being to please God, ministering to self has become his prime business.*
