**Sunday Afternoon Service** ..... **1:00 pm**

Have you ever heard someone say, "there is no such thing as a dumb question?" Let me ask you another question. Have you ever heard a dumb question? Now, that was a dumb question! I think that most of us have probably heard more than one dumb question in our life. What makes a question, "dumb"? Is a question dumb simply because a person doesn't know the answer? Is a question dumb because the answer can be known or has already been given but is rejected? OK. Final question. Are you prone to asking questions for an answer or an argument? That's a lot of questions, and we will attempt to answer them this afternoon.

**Quotable:** *There is something incredibly nostalgic and significant about the annual cascade of Fall leaves.*

**Last Call -**

If you would like to be included in our prayer chain and have not filled out your preferences in the tear-off portion on the bulletin, please do so today. We will be putting together the new list this week.

*The Call of Christ - Matthew 11:28-30*  
*"Come unto Me."...Did Christ speak as King, commanding His subjects; as Creator, addressing His creatures; as Physician, inviting the sick; or as Lord, instructing His servants?...To answer our query in what particular character Christ issued this call, it is necessary to look at the verses preceding. Matthew 11 opens with John the Baptist being sent to prison, from which he sent messengers to Christ to acquaint Him with his perplexity (vs. 2-3). Christ vindicated His forerunner (vs. 4-15) and...went on to reprove those who had been privileged to enjoy it but did not profit by it, but despised and rejected it.*
