This afternoon we will explore a brief overview of Dispensational Theology. As we explore this you will notice the contrasts between Dispensational and Covenantal Theology. We will end with a glimpse of the Believer's Hope. May God grant us the desire and determination to "study to shew [ourselves] approved unto God, a work[men] that needeth not to be ashamed, rightly dividing the word of truth." (2 Timothy 2:15)

Quotable: *A lie has speed, but truth has endurance.*

*The Friendship of Christ ~
"There is a Friend that sticketh closer then a brother."
That endearing title not only expresses the near relation between Him and His redeemed but also the affection which He bears them.
Nothing has, does, or can, dampen, or quench its outflow.
"Having loved his own which were in the world, he loved them unto the end"
(Jn 13:1). That blessed title tells of the sympathy He bears His people in all their sufferings, temptations, and infirmities.
From "Gleanings in the Godhead", by A.W. Pink*

Please share with the church family.
