*The Helpfulness of Christ ~  
"He is able to succour" no matter what form the temptation or trial takes.  
"Succour" is a comprehensive word: it means "to befriend",  
"to assist those in need", "to strengthen the weak."  
But the Greek term is even more striking and beautifully expressive:  
it signifies to hasten in response to a cry of distress,  
literally to "run in to the call" of another.*
