*The Helpfulness of Christ ~  
Chrysostom interpreted it, "He gives out His hand unto them with all readiness." a blessed illustration is seen in the case of Christ stretching forth His hand to catch hold of Peter as he began to sink in the sea (Mt 14:30-31).  
That was the Saviour succouring one of His own. ... The Greek word implies both fitness and a willingness to do a thing. Christ is alike competent and ready to undertake for His people. There is no unwillingness in Him.  
From "Gleanings in the Godhead", by A.W. Pink*

Please share with the church family.
