Evening Service..... 6:00 p.m.
I am sure you have heard the statement, "reputation is what others see about you; character is what you are when no one is looking." Sometimes it is easier to put on a public face and appear to be one person when we are someone totally different in private. There have been times when that has been true in my life. In this passage, we will see that it is true in Gideon's life as well. If we are willing to be honest, we will see ourselves in Gideon.

Quotable: Rather than regret the thorns, let's rejoice over the roses.
