*As believers we are to walk in the Spirit which is a kind of intangible condition.  
 Mostly it seems to be measured by emotion, but that is not a dependable measure.  
 Paul gives us a good way to measure spirituality.*

**Quotable:** *How you speak about others tells more about you than them.*

**Dear Pastor Pestel & Our Bethel Family -**  
 Thank you all so much for your help with our "Dino Detectives" VBS this summer! With all of the supplies and decorations along with many of you giving of your time, our week with the kids was great! There were 5 decisions for Christ and many new contacts with families, including at least one additional Bible Study - for all this we praise God for what He has done and is doing. Thanks again for your part in Eureka.

**Dear Friends at Bethel -**  
 Karis & I would like to say a big thank you for your kindness to us when we visited a few weeks ago. We really enjoyed our time of fellowship with you. A special thanks to Barb Sorenson for the noon meal, to Susan Bray for the food for the youth outing, the youth for including us, Les Miller for repairing our van, Pastor Weber & family for sharing the delicious salmon and for Pastor & Mrs. Pestel for letting us use your camper at camp. The items from the missionary cupboard were very much appreciated. We especially thank you for your fellowship in the Lord's work.

**Flowers -**  
 If you would like to enjoy the flowers on the communion table in your home, feel free to take them after the evening service. Please return the vase to the Vallers. Thank you!
