### Thank You!

Dona Rutherford called this week to thank us for the picture of Montana and card. She was so thrilled to get it and it took her completely by surprise! She sends her greetings to all, misses Montana and wishes she were here.

### Jackie Donovan -

Jackie went to be with her Lord early Friday morning. She was with her family in TX. Funeral arrangements are in the works.

### Barbara Voss - (missionary in Great Falls to the Indian work there)

After going through the 'work-up' for a heart transplant, the heart surgeon has determined that she does not need one! Her heart function increased from 10-12% to 40%. She still has a high calcium problem and kidney stones, & visits to the dr. to determine a solution to these problems. Continue to pray!

{The goodness of the Creator} is not confined to man,  
it is exercised toward all His creatures. "The eyes of all wait  
upon thee; and thou givest them their meat in due season.  
Thou openest thine hand, and satisfiest the desire  
of every living thing' (Ps. 145:15-16).
