### Counting Our Blessings

Counting our blessings is good practice.

1. It makes us get along with people better.
2. It makes us look around us instead of within us.
3. It makes us more considerate, sympathetic.
4. It causes us to live for others, not ourselves.
5. It makes us a blessing instead of a burden.
6. It corrects our perspective of life.
7. It strengthens our inner resources of faith and hope.
8. It increases our confidence for living
9. It increases our awareness of God.

When tempted to be disgusted at the dullness of  
another, or to revenge one who has wronged you,  
remember God's infinite patience with you.
