*The Gospel addresses men as guilty, condemned, perishing criminals. It declares that the most chaste moralist is in the same terrible plight as the most voluptuous profligate; that the zealous professor, with all his religious performances, is no better off than the most profane infidel.*  
From "Gleanings in the Godhead", by A.W. Pink

**From Randy & Shawn Olson's Last Update -**

God has generously provided ample funds to cover future travel costs and current medical expenses - all by the hands of His people! We praise God for the generosity of so many, and would ask that if you were making plans to help out with these needs, please don't at this time? (It's not often that you get asked NOT to send money!) We never want to take for granted the provisions of God through His people; and right now our needs are sufficiently met - Thank you, and thank you Lord!

**VBS Needs -**

There are still some items needed for our crafts at VBS. A list is on the bulletin table. Thank you for your help!
