I am amazed at how much information God has given us regarding the coming Babylon. This information has far more purpose than the simple satisfaction of our curiosity. Tonight we will take an extensive look at Babylon.

Cards to Sign -
 Take a minute to sign the new cards on the table at the back of the auditorium for our missionaries; they really enjoy receiving birthday and anniversary greetings from Bethel.

Our Christmas Program -
 We're planning to have our Christmas program this year on Sun., evening, Dec. 18 with the theme 'Christmas Around the World'. If you would like to 'adopt' one of our SS children from any of our departments, and research Christmas customs in another country, please see Charlotte.

To Ponder -
 In law and culture, as in all spheres of life, the "natural order" tends always to disorder. Culture, as the term implies, must be cultivated, because bad ideas drive out good ones like weeds in an unkempt garden.

*What a mercy that in the New Jerusalem "there shall in no wise enter into it any thing that defileth, neither worketh abomination" (Rev. 21:27).
