Love One Another
Our love for each other should be as unconditional as God's love is for us. He knows all about us and loves us just the same. He loves us although we have offensive characteristics and experience many failures. Thus we should love one another. True Christian love, God's kind of love, will ignore differences of color, race, denomination and disposition. What revival our churches would experience if all believers, or even the majority of believers, would learn to love one another as God has loved us!

God is love (1 Jn 4:8). It is not simply that God loves, but that He is Love itself. Love is not merely one of His attributes, but His very nature. From "Gleanings in the Godhead", by A.W. Pink
