The love which one creature has for another is because of something in them; but the love of God is free, spontaneous, uncaused. From "Gleanings in the Godhead", by A.W. Pink

Certainly nothing is closer to our hearts than the discipleship of our children and grandchildren. In Deuteronomy we find a very clear method of doing that. It was given to us by God Himself. A method you can trust!

**Quotable:** If everything seems to be coming your way, you're in the wrong lane.
