Missionary Update -

Art & Deb Brammer: several annoying details have threatened to distract them from the ministry (explained in most recent prayer letter); had nice turnout for Easter breakfast and service; 3 ladies have visited recently, Deb is starting a study with a couple of them, pray for fruit, they are searching for answers; the Kazadi family w/ 4 children has recently moved there from So. Africa, pray for their salvation and continued attendance.

Had God loved us in return for ours, then it would not be spontaneous on His part; but because loved us when we were loveless, it is clear that His love was uninfluenced. It is highly important if God is to be honored and the heart of His child established, that we should be clear on this precious truth.
