Missionary Update -
Art & Deb Brammer: new ones are coming to their church, many of them born overseas, in their church these countries are represented: New Zealand, Philippines, Britain, South Africa, Germany & the US, they are rejoicing in the increased attendance; they have received several good sized financial gifts, for which they are thankful and very encouraged, have also seen an increase in the giving at church; 3 ladies have visited recently, Deb is starting a study with a couple of them, pray for fruit, they are searching for answers; the Kazadi family w/ 4 children has recently moved there from So. Africa, pray for their salvation and continued attendance

...many turn away from a vision of God's wrath as though they were called to look upon some blotch in the divine character, or some blot upon the divine government. But what says the Scriptures?
