How can a God who is love do or allow \_\_\_\_? I'm sure you can fill in the blank from your experience and interaction with the world. Building on this morning's lesson from Nahum, we will look at what happens when we treat love and wrath as mutually exclusive.

**Quotable:** *Worry pulls tomorrow's cloud over today's sunshine.*

*As we turn to [the scriptures] we find that God  
has made no attempt to conceal the fact of His wrath.  
He is not ashamed to make it known that vengeance and fury  
belong to Him. His own challenge is found in Deut. 32:39-41.*
