**Missionary Update -**

Paul & Jessie Schlener: Jessie has had Robotic Cardiac Surgery in Spokane, and is doing well after a successful operation. They are thrilled to report that a Ticuna Indian boy, Rober Guerreio Benedito, referenced in "Port of Two Brothers", has been accepted by a Brazilian mission board and commissioned to do pre-field ministry back in Rober's birth place in Port of Two Brothers; Paul's second book, "When Sea Billows Roll", is available, it gives a clear testimony of his salvation.

*The difference is great between the knowledge of God which His saints have in this life and that which they shall have in heaven; yet, as the former should not be undervalued because it is imperfect, so the latter is not to be magnified above its reality.*
