I believe it is interesting to see how God's work and business advanced in one of the most corrupt cultures the world has ever seen. This advancement didn't make use of the current cultural tools that were available to Paul, but was rather pressed forward by God's providential hand. There is a lesson here for us

Quotable: *We master our minutes, or become slaves to them; we use them, or they use us.*

Cards to Sign -

Take a minute to sign the new cards on the table at the back of the auditorium for our missionaries; they really enjoy receiving birthday and anniversary greetings from Bethel.

CH Spurgeon has well said: ...There is something exceedingly improving to the mind in a contemplation of the divinity. It is a subject so vast, that all our thoughts are lost in its immensity; so deep, that our pride is drowned in its infinity...
