This evening we will continue looking into "rightly dividing the word of truth." As the children of God, we are called to the significant work of studying God's Word. It is imperative that we do this work within the confines of the character of God's Word.

*The Scripture declares that we shall see "face to face" and "know" even as we are known (1 Co 13:12), but to infer from this that we shall then know God as fully as He knows us, is to be misled by the mere sound of words, and to disregard that restriction of the same which the subject necessarily requires.*
