From Heart Butte -

Thank you so much for your generous collection of toys for our AWANA Store. The children are working hard to learn their verses. We continue to pray for the parents who come to hear the verses. Thank you also for sharing many items from your missionary closet. We greatly appreciate your ministry in this area.

Our Phone -

We are down to one line with our new phone system, so if you would call and not get an answer, we are most likely on the phone. Please leave a message and we will return your call.

*There is a vast difference between the saints being glorified and their being made divine. In their glorified state, Christians will still be finite creatures, and therefore, never able to fully comprehend the infinite God.
