Missionary Update -
Mark & Jenn Rubin, Chile: daughter, Juliana was diagnosed with mono earlier this month, is starting now to return to her normal disposition after 15 days of being down, weak & feverish; there is much violence around Sept. 11 due to a military coup that installed dictator Augusto Pinochet 40 years ago, about ¼ mile from their house is a rough neighborhood that is one of the centers for violence, police officers were injured and there was much protesting and disturbance, but one week later (Sept. 18) is Independence Day, patriotism is very noticeable, transformation by Christ is also noticeable despite much unrest, continue to pray for open doors to announce the only hope the world can know: Jesus Christ crucified, risen and living at the right hand of the Father.

*Consider the exercise and display of His power. Paul prayed that we might know, "what is the exceeding greatness of his power to us-ward who believe, according to the working of his mighty power, which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places."
(Eph 1:19-20).
