Good News from the Schrepfers -
We want to thank you for your prayers and other communication about Juanetta's need of a new insulin pump! The Lord has wonderfully provided once again and we want to make sure that you know so that you can praise Him along with us. A few weeks ago we met with a brother in the Lord who gave Juanetta his insulin pump which he no longer uses. The pump has a pre-programmed remaining life of over four years! He also included several months worth of supplies. We are so grateful for his generosity and the Lord's provision. It took some time to enter various data and start using it, but it has worked well for over a week now. It is evident now that it should serve her needs well. There have been some dear folks offer or send a gift toward this need and we want to THANK YOU. We appreciate and thank those who responded and prayed. This is surely good news to share and a blessing from God. Thanks for your part in our lives, Matt & Juanetta

Annual Meeting Reports -
Just a reminder for Department heads to turn in your report to the office for our booklets for Annual Meeting by next Sunday, Feb. 2, if you haven't done so already. Hard copy or email is acceptable. Thank you!
