**Missionary Update -**

Art & Deb Brammer, New Zealand: have returned to the field after a 4-month furlough; 2 of the Filipino families have established residency allowing them to stay in New Zealand & their children to go to the university; things went well at the church in their absence, finances remain very good, they'd like to see more commitment from folks attending; Deb is teaching a Bible class in a nearby primary school, pray for wisdom to teach effectively within the boundaries given; Church website: <http://www.taystreetbaptist.org.nz>

*By nature we are totally ignorant of His will for us  
and of what promotes our highest interests. It is solemn and humbling  
that man is the only creature born into this world  
devoid of intelligence as to how to act, and who needs to be taught  
what is evil and what is good for him.  
From "Gleanings in the Godhead", by A.W. Pink*
