**A Little History of the Work in Berekum and the Dan Mapes Family -**

The Berekum ministry is church planting. Dan Mapes & family have lived in Berekum since February 1994. There is one church that is very solid in Berekum proper and a mission work of the Berekum church in a village of Jinijini about 4 miles outside of Berekum. Dan served as senior pastor with three Ghanaians working along side of him. Pastor Seth, a national, who joined them on the initial survey trip into Berekum and joined in this mission work upon graduation from Baptist Bible Institute in Wa in 1996. Pastor Eric is a young man who was saved under this ministry and has completed Bible School. He works with the children's ministry and is a key man in the Jinijini ministry. He teaches Sunday School there and every other Wednesday night. Pastor Steven, having finished Bible School, works with the youth. He is active in two of the Bible Studies as well as doing campus evangelism on the many high school campus' in Berekum. None of the men are supported full time by the church, but also work part time for Pastor Seth in his printing company that does desktop publishing.
