Evening Service..... 6:00 pm

Last Sunday evening we concluded our "Red Letter" Series, so tonight will be "appendix A." We will once again sit at the feet of Jesus and receive His instruction on what it means to serve our Risen Lord. We often get confused about what it means to serve the Lord even though his instructions are simply put, "follow Me." We will examine what this simple yet profound statement means.

Thank You -

Dear Pastor Pestel: I'm sending this letter to you and the members of our church for the many loving kindnesses you and they have shown to me from even before Jan and I became members. It's not easy being down with afflictions, but I can say that love and "real" caring can overcome the worst pains of life.

The people of Bethel have gone "beyond the call of duty" in assisting and praying for me and Jan in this hopefully short down time of pain. Their assistance and prayers have gone even farther than the church I once Pastored so many years ago.

So, to the people of Bethel Baptist Church I say, I love you in the Lord Jesus our Savior, and a large "thanks" for everything you all have done.

Until HE comes,
Larry Jansen

All the lower orders of creation are endowed with an instinct which moves them to act discreetly, to avoid what is harmful, and to follow what is good. But not so man.
